#### A Little Girl, the Victim of a Brute's Depravity, Shamefully Treat-

Three years ago one of the most respected families in the city took from the county poor farm, and adopted a little child ten years of age, who was received as their own child, given the general advantages of life, taken into the church, and efforts were made to make the little afterward developed that the child was iodically, she was quite demented. But her foster parents treated her with all kind-

A short time ago, however, peculiar symptoms manifested themselves in the child, and a physician was not long in child, and a physician was not long in determining that the girl, then only thir-teen years old, was pregnant. Investigation R. I. P. shop: Here is the river on revealed the fact that a son of the girl's which is brought nearly all the hard wood adopted parents had been the cause of used in car building, and this, too, is the her rum, and finding the condition of his the other materials used in the shops victim, he fled, and the brute's wherea- Here are all the water conveniencies re bouts are at present unknown. This quired-and here concentrate the lines from Council Bluffs, Kansas City, St. man, who has proven himself such an inhuman monster, has, until now, borne a Moines is greedy for these shops—Davengood reputation in Rock Island. He port must be greedy, too. Let the city has held a steady position in one of the of this matter very soon, or it may be too largest factories in the city and was industrious and trustworthy. He was a member of the Rodman Rifles and of fighting over the location of these shops, other organizations, and his associations Rock Island to whom they rightfully, bewere at all times good.

that the girl had been ruined, she was dismissed from the church and sent back of the divisions of the road. The freight to the poor farm to bear the disgrace of a crime committed by another. The child the passenger divisions, and all that Dav should have been pitted rather than enport has, is the headquarters of the blamed, and her age alone should be suf. passenger trains generally. Rock Islan ! ficient to show that she was an innocent has every advantage desirable-property victim of a fiend's lust and depravity, and abundantly and conveniently suited for the hand of charity and christianity the shops, plenty of fuel and cheaper should be extended to her now if never before while the scoundrel who has accomplished her ruin, should be found and should be urged and every effort made by fittingly dealt with.

#### Court Cullings.

The suit of Rock Island county vs D. them. O Reid and his sureties J. F. Reid, Simon Hirsch, J. B. McConneil, A. F. Hoilister, Daniel Gordon and James Taylor, to recover \$800, was called for trial last evening before a jury composed of John Schnell, J. A. Carpenter, Daniel Paul is open. The train men by crews, McEniry, Jr., M. Kelly, J. P. Fleming, are as follows: Henry Schnitger, M. A. Gross, Otto Gottsch, G. Greenwood, George Wood, Sylvester Dailey and Patrick Noonan-The jury awarded \$960.66 damages to the plaintiff.

The case of Tina Nevitt, of Whiteside county, vs the city of Moline, to recover damages for injuries sustained from falling into a cellar, was called this morning. The following jury took the case and it is still being tried: John Schnell, J. A. Carpenter, J. P. Fleming, Henry Schnitger, M. A. Gross, G. Greenwood, George Wood and Sylvester Dailey, of the regular panel, and Philip Mitsch, S B. Hendren, Fred Hillinger and John

No More Love for the Mustang. Capt. Jos. Cameron of the ferry, Spencer, met with a painful accident and an altogether narrow escape yesterday, while attempting to"-assist" an unmanageable pony on the boat. It was at the Davenport side, and two boys were fruitlessly endeavoring to bring the animal on when Capt. Cameron went out on the dock, and while attempting to fasten a rope about the animal, it let on of its foreless slip and Cameron fell almost senseless with a severe out in the doctor's office, though not until he had controlled his unruly passenger, and the wound sewed up and dressed. Cameron thinks be knows more about ferry boats engineer, 368, J. Heator, freeman, F. C. than mustaug ponies, and does not care Heady, engineer, 372, J. Dempsey, fireto take any more lessons with that species of the equine tribe.
